Dear Parent or Guardian,

It is time to plan the Title I program for the 2019-2020 school year. All parents who had students participating in the Title I program this school year are asked to complete and return this brief [questionnaire](#). Your input is helpful to the school in providing services for our students. Please add any comments that would help us improve our programming. Contact your school or Title I Reading Specialist if you would prefer a paper copy.

In addition, we would like to extend an invitation to you to attend our **Title I Parent Engagement Breakfast on Tuesday, February 26, 2019 at Brent Elementary at 9:15 a.m.** The engagement will allow us to share the great work being done through our Title I programming. We will also share with you the results of the parent questionnaire and future planning. We look forward to the opportunity to showcase the great work being done to improve our student learning.

Sincerely,

Mrs. Deana Moss
Curriculum Coordinator
