

Dear Parents of FHS class of 2019,

It's hard to believe that graduation is just a few short months away. We have been working hard on planning some fun end of the senior year activities for our senior class. We would love for you to be involved in helping with these! We will be having a senior parent meeting on **February 20th at 7:00pm** in the media center at Finneytown High School. This is the same night of conferences so please plan accordingly. We will be going over the details of all that is planned for the seniors. There will be an opportunity to sign up to help with the various events. The staff will also be communicating the details of end of the year school activities related to seniors.

As part of the end of the year events, we will have a senior video. Michael Matzko has graciously offered to create this. Our goal is to have every senior represented in the video. We need your help in doing this by submitting photos to seniors19@michaelmatzko.com. We need the following sent:

- 1 photo of your child as a baby
- 1 photo of your child in the elementary years
- 1 recent photo of your child (senior photo)
- We would also like any group photos that you may have. (He will accept small video clips(under 10 seconds)

These need to be sent to Michael digitally by March 31st. Any pictures submitted after this date cannot be guaranteed to be in the video. Timing is important in getting these in ASAP. Please include in the email your child's first and last name.:)

If you do not have a way to get these to Michael digitally, please contact Michael or myself and we can scan them for you.

Looking forward to seeing everyone on **Feburary 20th!**

Please contact myself or Karen Kershner if you have any questions.

Sincerely,

Kellie Smoker

2019 PTA parent representative.
