3rd Grade Supply List

2019-2020

The following is a list of items your child will need for the upcoming school year. Third graders are expected to be prepared for class, which means having all supplies at school everyday. Please check with your child periodically to see if any of their supplies need to be replaced. There will be periodic requests throughout the year to replenish supplies or to request items for special projects. Students are encouraged to bring their supplies the first day of school.

During the first week of school, the folders and spirals will be “color coordinated” and assigned to specific subjects. Some supplies will also be designated as “community” supplies. **We ask that you do not label the supplies with names in advance.** Thanks!
