

Whitaker Elementary School

4th Grade Supply List

2019-2020

Following is a list of items your child will need for the upcoming school year. Fourth graders are expected to be prepared for class, which means having all supplies at school everyday. Please check periodically with your child to

see if supplies need to be replaced (especially pencils). Students are encouraged to bring supplies the first day of school. Please have everything labeled with your child's name in permanent marker.

During the first week of school, the folders and composition notebooks are "color coordinated" and assigned to various subjects. We ask that you DO NOT label them with subject names in advance.
