

August 4, 2019

Welcome to the 2019-2020 school year! I am honored to be entering my sixth year as School Counselor for Brent Elementary. I am committed to supporting life-long learning and helping students reach their full potential. I strongly value building positive relationships and creating a safe environment for all students and families.

I am available to all students, staff, and families to help address any academic, social or emotional barriers to learning. My role includes brief individual counseling, small group counseling, student and staff coaching, classroom guidance lessons (social-emotional/character building), referrals to agencies or partnerships, resource support, crisis support, Positive Behavior Intervention and Supports (PBIS), Student Support Team (SST) and more.

School Counselor referral forms and small group surveys will be sent home with your child within the first several weeks of school. There is also an option to complete a school counselor referral form on the Finneytown website. Feel free to also stop in or contact me directly at any time @ 513-728-3720 or nrouse@finneytown.org. My door is always open. Look for more information from me in Thursday (purple) folders throughout the school year!

As Finneytown Alumni and resident, I truly believe in this district and community. I am very excited for the continued opportunity to serve the families of Brent Elementary throughout the 2019-2020 school year. Please visit our website for more information including frequently asked questions. Thank you for choosing Finneytown!

Sincerely,
Nancy Rouse
Counselor, Brent Elementary
