

New K-6 Building Biweekly Blitz

May 6th, 2022

Finneytown New K-6

Exterior – Seeding and landscaping is ongoing. The topcoat of asphalt will be laid next week.

Interior – Wood slat panels are being installed around the stage soffit. Final touch up painting is ongoing through the building. Bathroom wall partitions are being hung in the 2nd floor academic restrooms. Library furniture was delivered and installed. Handrails have been installed in the stairwells and at the learning stairs. HVAC and Tech equipment testing continues. The gym floor has been completed and has begun the curing process.
