#MoreThanASchool!**

Community Gardening Club

If you are interested in the outdoors, advocating for the environment, partaking in community service efforts, or gardening and harvesting crops, the Community Gardening club will fuel your passion! This club has improved our local garden (located right on the Secondary Campus) with major restoration projects, educational services and sustainable efforts — which everyone can partake in. The garden is a safe space and it is easy to get involved.

**For more information, contact:
Mrs. Cleghorn
scleghorn@finneytown.org**

We hope to see you at the garden!
