FINNEYTOWN LOCAL SCHOOL DISTRICT

2024-2027 STRATEGIC PLAN

QUARTERLY UPDATE - SPRING 2025

FOCUS 1
Student, Staff, and Community Learning

Design instruction and experiences that include project-based learning and restorative practices to foster individual growth, allowing for contribution to the learning community.

Strategies

- Enhance staff engagement
- Grow student proficiency in math and literacy
- Boost support to meet each student's diverse needs
- Foster deeper connections, learning, and collective ownership of continuous improvement initiatives

UPDATES

- As part of their data analysis capstone project, statistics students at Miami University analyzed our Restorative Practice data and provided an analysis.

FOCUS 2
Community and Connection

Design and host gatherings that build meaningful connections, allow for conversations that matter, and create a community of belonging.

Strategies

- Host gatherings to foster connectivity, collaboration, and shared ownership of our collective vision
- Build meaningful connections with students to increase engagement
- Develop and roll out a comprehensive communication plan

UPDATES

- Hosted monthly Youth Advisory Council meetings.

- Highlighted our student-athletes through a spring sports kickoff.
- Formed a boy's volleyball team and competed in our first season.
- Held Building Connections events, interactive sessions aimed at fostering community.

- Gathered with our Key Communicators to share important district updates.
- Hosted Wildcat Welcome, an all-in-one registration event, including school tours and a curriculum preview.

- Developed a Why Finneytown video series highlighting what sets Finneytown apart.
- Launched a Senior Spotlight feature on social media to celebrate our class of 2025.
- Collected gift cards, used laptop computers, and more to help 14 students/families through neighborhood bridges. Also received a $1,000 donation from Northminster.

- Partnered with the YMCA and Springfield Township to support community service through volunteer efforts.

FOCUS 3
Facilities and Fiscal Stewardship

Maximize the financial infrastructure and strategic resource allocation to support the district's long-term goals, ensuring safety, technological advancement, and facility development to meet the evolving needs of students, staff, and the community.

Strategies

- Design and construct facilities that prioritize student needs
- Demonstrate fiscal prudence by securing funding from a variety of channels

UPDATES

- Continued working with The Ohio Public School Advocacy Network (OPSAN) to build a network of educators across the state focused on public school advocacy. The group is currently focusing on the state budget bill and funding for Ohio's public schools.
- Finalized plan for new track; work to begin June 2025.
